

Charitable Donations February 2016

The Worshipful Master and Charity Steward have been busy recently presenting cheques to local charities in Gloucestershire who had been identified by the Benevolent Fund Trustees and the Lodge. These were to five charities each receiving £1,000 – Kates Home Nursing, the League of Friends of Moreton Hospital, Maggie's (cancer care), Insight a charity working to help people with sight impairment and Leaves, an educational charity based at Batsford Arboretum.

The Worshipful Master remarked that it is inspiring to visit these charities and see the wonderful work which they do for the local community.

The Worshipful Master & Charity Steward present cheques to Insight (right), Kates Carers (below), and Maggie's (below centre)
