

Social Events – June 2016

On a balmy night in June, several members of the Lodge, their partners and guests attended the Provincial boat trip on what proved to be a very placid River Severn. The event was to raise money for the 2018 Festival appeal, and a most enjoyable evening was had by all, with no one being lost overboard.

The following day our Worshipful Master along with our Senior Deacon had arranged a Luncheon at the Wychwood Golf Club. This proved a splendid event, and was very well attended by Lodge members, their families and guests, who enjoyed good company, an excellent meal all in delightful surroundings.
