

Donation to Stow Disability Association – April 2017

The Trustees of the Gloucestershire Masonic Charity Action, to mark the 300th (Tercentenary) Anniversary of the setting up of the United Grand Lodge of England, proposed to match-fund grant applications in support of charities based in the Province of Gloucestershire. These charities should be working to benefit local communities and to improve the lives of disadvantaged people in the Province. The Lodge successfully applied to the GMCA for funding for a donation of £300 to the Stow Disability Association, to be matched by the Lodge. A cheque for £600 was presented to the Stow Disability Association on Tuesday 4th April at the Masonic Hall in Stow on the Wold.
